Friends of Lockport CARES

Hope that your summer is going well, it sure went quickly. Lockport CARES has some pressing shelter needs that I was wondering if you could help with, or pass request on to someone who might like to become involved.

1) Help staffing shelter from 3pm to 11pm shifts (Mainly the 7-11pm shift).

2) Reception/ admission line person 9 am - 1pm Mon- Fri. This can be done with an off site mobile unit, will train.

3) Shelter cleaner / meal preparation day shift M-W-F
9am - 1 pm.

4) We are also looking for a person to organize the cellar clothes closet, especially children's area and maintain it.

At present these are all volunteer opportunities.
